THE WOOD FAMILY TREE

by

Harold Wm. Wood

To my parents firstborn was my sister, Iva Mae on October 4, 1899;
Ralph Archie followed on January 3, 1901, a year and a half behind.

Then popped up Alfred Dallas on March 6, 1903;
Harold William arrived in the middle--on July 9, 1905, that's me!

Graden came in March, 1907 then left to be with the angels free;
After that on August 22, 1908 was born Floyce Pamela Lee;
Our baby sister Ruth Armenta followed August 24, 1911. We called her
"Ruthie;

Then not to be outdone along came Sherm and Vinie's last son;
They used Asbury as his middle name, then called him Weldon.

So there you have my brothers and sisters;
Remember Mother and Dad, that's our family tree.
